# The 1955 Hamiltonian

Hamilton High School

## FOREWORD

With the T.V. industry changing this modern generation, we, the Hamiltonian Staff, have chosen television as the theme for the 1955 Hamiltonian.

Although the future may change our attitudes and standard of values, our individual triumphs, recorded herein, will always bring a happy glow of memory.

Our aim is the creation of a yearbook that will be significant not only now but in years to come. Even though this book may grow old along with us, let us hope that the turning of its pages will always recall those pleasures which we have shared at H.H.S.

To  
MRS. HAZEL E. RAMER

We, the Class of 1955,  
proudly dedicate the  
Hamiltonian

Mrs. Ramer, in her year of retirement, continues to hold a place of high honor and respect through her conscientious effort, her thoughtfulness and cooperation, and above all, her spirit of friendliness toward those who know her. We shall remember her always as a clear thinker, a tireless worker and a true friend.

The entire staff joins with me in wishing you success, happiness and a good life in the years ahead.

Douglas A. Chandler

To the Seniors of 1955

In these days of clashing conflicts between the effects of past wars and the uncertainty of pending future ones, may you hold fast to the "eternal verities" of honesty, courage, integrity, and faith in God which is our American Heritage.

# CLASS NEWS

## CLASS OF 1960

The seventh grade entered Hamilton High with 53 students making two divisions. They chose able officers and began their career as high school pupils. On October 22, the class presented the monthly assembly. The girls sang two selections in a chorus and the boys presented "In The Good Old Nick of Time." A class party was held in January with dancing, games and refreshments for all.

## CLASS OF 1959

The eighth grade has shown its spirit this year by active interest in clubs and activities. The monthly assembly in November was put on by this class. The assembly consisted of a puppet show of commercials, singing and skits which were amusing portrayals of various members of Hamilton High. The class did an excellent job of constructing the theater, making props and puppets, writing the script and playing parts.

## CLASS OF 1958

Three new pupils were welcomed into the Freshman Class in September. They were Carol Keech, Brian Lombard and John Miller. To become reacquainted after summer vacation the class had a party in November which was a great success. Many of the boys joined football, basketball and baseball teams and the girls joined basketball and softball teams. At the beginning of the second semester a new president, vice-president, and treasurer were elected. They were Judy Crowley, Sara Jane O'Hara, and Gary Woods, respectively.

## CLASS OF 1957

The Sophomore Class helped to uphold the honor of H.H.S. by having many of its members participate in sports and some of the girls cheering. The Sophomores were also busy with the play and the operetta, learning parts and helping with scenery and props. In February the class was proud to win the banner awarded to the class with the largest number of parents at the monthly P.T.A. meeting.

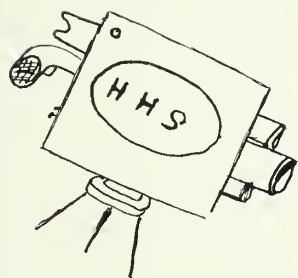

## CLASS OF 1956

The first big event of the Junior Class was the purchase of class rings in November. Richard Patenaude and Lewis Foote were chosen to attend Boys' State in June for a week. Congratulations also go to Sandra Higgins who will attend Girls' State. The students were chosen on the basis of scholarship, citizenship, leadership, and sportsmanship. All of the Juniors worked hard on the Junior Promenade which took place on May 6. The refreshments and the beautiful decorations helped to make the Prom one of the most enjoyable occasions of the year.

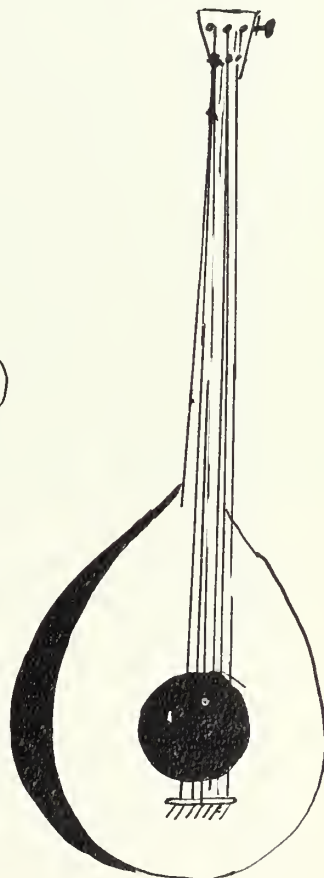

## CLASS OF 1955

Perhaps the busiest class were the Seniors. Their first achievement was winning the prize for the largest percentage of parents in the P.T.A. In October five seniors, accompanied by Miss McKay, went to Boston to see Cinerama. The sale of Christmas Cards occupied the class until after December, and they worked hard to make a good profit. In January Joan Lowcock was pleased to win the Daughters of the American Revolution Award. She attended a convention of all the D.A.R. Good Citizenship girls in March. In the spring everyone was working feverishly on the yearbook, the play, the operetta and preparations for graduation. The graduation speakers were Raymond Whipple, Donald Killam, and Joan Lowcock. Final activities were as follows: Final Assembly, June 3; Candlelight Service, June 5; Banquet, June 6; Graduation, June 9; Reception, June 10.

At an assembly a rose is given to all A students. A red carnation is given to the students who have all A's with the exception of one B.

Donald Killam, a senior, has been on the honor roll every term since the ninth grade. Janet Smerage, a sophomore, has been an honor student for two succeeding years.

The Student Council was organized in September of 1953. The purpose of this advisory body is to promote student participation in school government, establish better teacher-student relations, provide more social activities, and set an example of proper leadership. Class presidents automatically become members, supplemented by one class representative elected by popular ballot.

This year the Council has approved the social affairs, helped manage the Good Government Day election, assisted in some of the annual drives, and at present is compiling a school handbook.

The yearly fire squad was organized in the fall of 1954 with the Senior Class President, Raymond Whipple, acting as Fire Chief.

When the fire alarm sounds, the members of the squad man their proper stations, with part of the squad directing the traffic at the exits. These drills are carried out monthly without previous warning, sometimes under supervision of the town fire department, and have resulted in a rapid and orderly evacuation of the building. In case of an air-raid drill, the same squad takes over control.

The first driver education course, which is given in collaboration with the Registry of Motor Vehicles, was added to the high school curriculum this year.

The course consists of twenty class periods, sixteen hours observation in a car, and eight hours behind the wheel. The pupils must be fifteen and one-half years old at the beginning of the course, as they cannot, by law, drive until they are sixteen.

In order to receive his license to drive, the pupil must pass a written test sent from the registry. Also he must pass a road test which is given at the school by a registry inspector.

Any pupil obtaining his license under this program is entitled to reduced automobile insurance rates until he becomes twenty-five.

The driver education program is a great benefit to the students of Hamilton since it offers a thorough course in correct and safe driving.

The Varsity Club had another very active year under the leadership of Mr. Martini. The members of the Varsity Club, which consists of students who have earned a varsity letter in any sport, elected the following officers: Raymond Whipple, President; Philip Maione, Vice-President; James Trussell, Treasurer; Margery Ricker and Roberta Tremblay, Secretaries.

On November 10, the club sponsored a dance with a four-piece orchestra. This dance was run with the intention of making no profit. Later in the year a newspaper, "The Covered Wagon News," was written and published by the Varsity Club and distributed in monthly editions. A combined basketball game, Varsity vs. Old Timer All Stars, and dance was held on March 11, which proved to be quite enjoyable for all. Through the money earned by these events and the selling of magazines, book covers, and refreshments at sport events, letters and jackets were given to those fulfilling the requirements.

Second Row: James Trussell, Donald Lincoln, Roberta Tremblay, Priscilla Deans, Margery Ricker, Ann Saunders, Sylvia Thibodeault, Richard Johnson, Philip Maione.

The Varsity Club started a new project this year which has been very popular with the students. This was a newspaper which first appeared on December 3, 1955, as the "Varsity Drag." It was changed to "The Covered Wagon News" on the next edition and has so remained for the following editions. Originally planned to be a bi-monthly publication, it has become a regular monthly edition.

The staff, made up of varsity members, with the help of the print shop assembled a special Christmas edition in colored ink with appropriate Christmas articles. The paper carries such articles as interviews with the teachers, interviews with the seniors, sports news, coming events, jokes and other news pertaining to the school and its members. We hope that the Varsity Club will continue to publish this newspaper in future years.

The Senior Glee Club under the direction of Miss Ruth Austen presented its annual assembly program at Christmas time when it shared the program with the Dramatic Club. The program opened with the traditional seventeenth century carol, "Ye Watchers and Ye Holy Ones" and the Ukrainian "Carol of the Bells." Judith Clarke gave a Christmas reading after which the chorus sang the lovely "Jesu, Joy of Man's Desiring" by Bach and the English folksong, "The Twelve Days of Christmas." Johnstone Geikie, Class of 1953, assisted with piano accompaniments. The second half of the program was the presentation of the play, "Star Eternal," coached by Mrs. McKey. The play was a serious story of modern Palestine; incidental music was provided by the Seventh Grade Girls' Chorus.

# NEWS

On November 15, 1954, the candidates for Good Government Day campaigned with rousing speeches. Roy Leach and Thomas Sinkiewicz from the Junior Class represented the American Party. John Neary and Raymond Whipple, seniors, campaigned for the Nationalist Party. The Student Council ran the voting which duplicated regular polls. The Nationalist Party was victorious! Representative Raymond Whipple and Senator John Neary represented Hamilton High School at the State House on Good Government Day in March.

The Annual Legion Oratorical Contest was held in February under the direction of Mr. Wilton Moyer. Joyce Nevin, Janet Smerage, Margery Ricker, Donald Lincoln, and Martin Caverly participated in the contest. Congratulations go to the winner, Margery Ricker, who gave an animated speech on "The Privileges and Responsibilities of an American Citizen."

This year's Gilbert and Sullivan operetta that took place on April fifteenth in the school auditorium was "Patience," a gay and tuneful idyl full of rapturous maidens and blustering dragoons, all set agog by two most poetical poets. The cast included the following: Patience, a simple little milkmaid, Joyce Nevin; four maidens especially susceptible to poetry, Anne Brindle, Ann Saunders, Cynthia Ranger, Sandra Clock; the officers of the dragoons, John Neary, Walter Buzzell, Raymond Whipple; Grosvenor, the idyllic poet, Philip Maione; Bunthorne, the fleshly poet, David Geikie; and Bunthorne's solicitor, Roy Leach. A girls' chorus of more love-sick maidens and a boys' chorus of daring dragoons made up the rest of the cast. The scenery, cleverly devised by Mr. Gero's carpentry and Mr. Lillie's paint brush, was a green and flowery garden in front of Bunthorne's residence. Miss Ruth Austen directed the production and Johnstone Geikie was the accompanist.

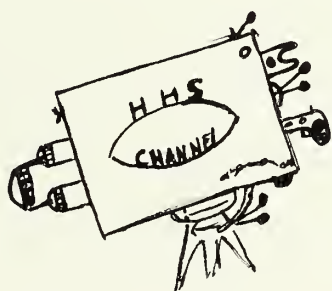

The Drama Club project of the year was the production of "Midnight," a three-act comedy-mystery by Glenn Hughes. After a long series of tryouts the following cast was chosen: Claire, Susan MacKenzie; Bob, Martin Caverly; Mrs. Wick, Dorothy Coe; Aunt Julia, Judith Clarke; Ellen, Barbara Nickerson; Leonard, Haskell Fuller; Hugh, Donald Tree; Joe, Roy Leach; Mr. Hardwick, Donald Lincoln; Mr. Smith, George Delaney; Paula, Priscilla Deans; Kate, Janet Smerage; Eddie, Gary Woods. The very complicated scenery for the play was made under the direction of Mr. Gero by the following members of the Drama Club: James Richards, John Miller, Brian Lombard, Walter Mansfield, Barkley Tree, and Robert Little. Other assistants were Dorothy Appleton and Carol Peek, Prompters; and Judy Deans, Cynthia Ranger, Claire Gilbert, Kristin Lundgren, Frances Donlon, Donna Gauthier and Sara Jane O'Hara.

First Row: Robert Little, Charles Collins, Arnold Wentworth, Edward Millett, Thomas Sinkiewicz, Elliott Millett.

On the opposite page is a picture of Coach Carl Martini receiving the Eastern Massachusetts Six-Man Football Trophy from Senator Philip Graham. Coach Martini successfully piloted the Hamilton Generals to their third win in the 1954 season. Even though the league title was split three ways, we were chosen to keep the gold football permanently, since we had two legs of the three required to retain possession.

This year's team was expected by most to wind up in the middle of the six-man league standing, but the teams that they encountered found them a tough squad to beat. Ray Whipple was at the helm with Phil Maione second in command. John Neary worked out of the end offensively, and then dropped back to halfback defense. He snagged many a pass that pushed the Generals out in front. Ed Millett did a marvelous job in the quarterback spot with all the skill he has acquired in three years. Tom Sinkiewicz was the other halfback, and the tough little back couldn't be stopped on his short pushes. Pete Thimmer, Francis Collins, and Bob Little did their jobs of filling the vacancies well at all times. The rest of the team proved their strength as the final accounting showed "Five wins and one loss for the Generals."

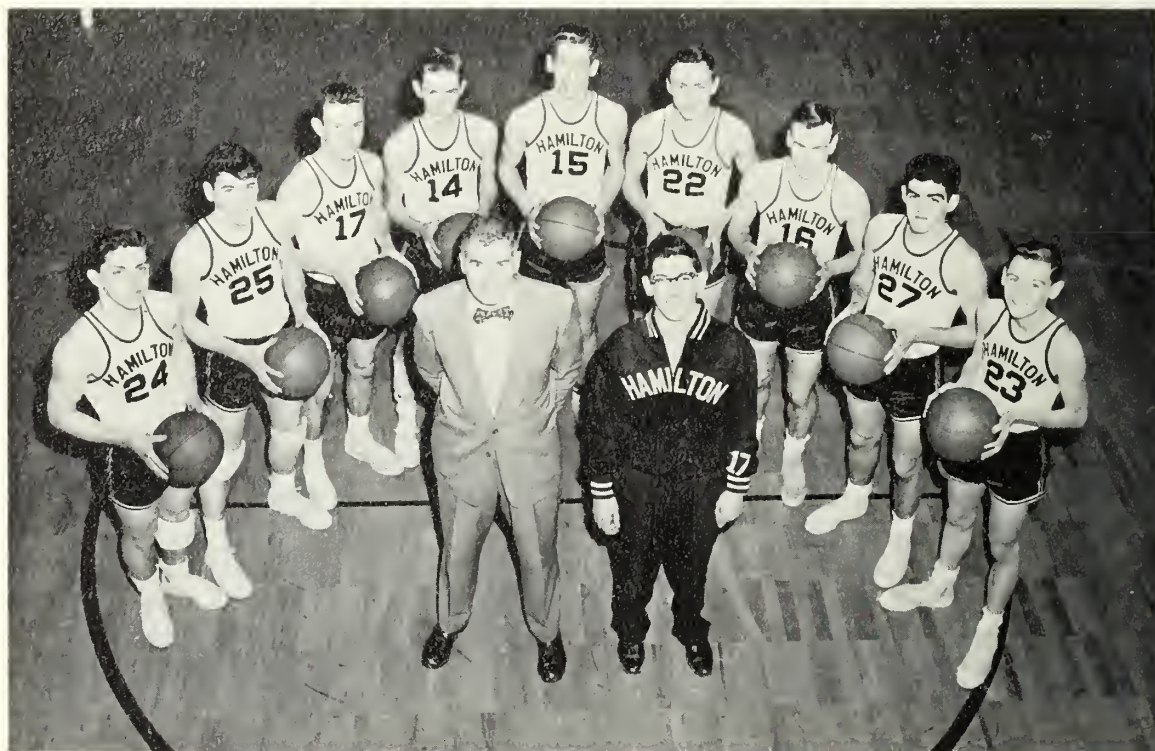

Next year Tom Sinkiewicz and Ed Millett will share the lead in a co-captain partnership that will give the team plenty of leadership. Mr. Martini will again be coaching the team with the hope of maintaining the championship. To the team and the coach we wish the best of luck for a successful season next year.

# Varsity Basketball

With a veteran team returning, Hamilton looked forward to an excellent season. When the end of the season rolled around, however, the record was a little disappointing. After edging Georgetown in the season's opener, the Generals found the going rather tough, due mainly to a lack of consistent shooting. As the season progressed, the boys improved steadily and reached their peak against Topsfield on the Red Dragons' home court. This game saw the Generals take the Dragons by the tail and administer a sound beating to the tune of 60-38. The boys continued in high gear and finished the regular season play by trouncing Manchester by an almost identical score, making the record seven wins against seven losses. It is worthy to note, however, that in the seven games lost, the Generals were outclassed in all but two of them. The others were decided by close scores, and with just a mite more accuracy in shooting, the boys could have had an excellent won-lost record.

Because of their great improvement, both in shooting and team play, the squad was entered into the Bay State Tourney. After winning two thrillers, they advanced to the semi-finals at the spacious Brandeis University Gym. Here fate took an undesired hand, and the Generals bowed to Chatham while Co-captain Jim Trussell remained at home with the measles.

No single player should be mentioned for greatness this season as every boy of the team really contributed greatly to the team effort: Co-captains Jim Trussell and George Delaney for their consistent scoring; Co-captain Ray Whipple for his fine defensive play and rebounding; Dave Geikie for his excellent rebounding; John Neary for his superb floor play; and Pete Thimmer for being able to play any position when called upon. Then we should pay tribute to those faithfuls who came day after day to provide opposition in practice but seldom got the chance to play in the main show. These boys will be our Varsity next year and include the Millett brothers, Eddie and Elliott, Bob Caverly, Marty Caverly, and Billy Poole.

# Varsity Basketball

First Row: Priscilla Deans, Mary Walke, Judith Clarke, Joan Lowcock, Co-captains: Margery Ricker and Diane Crowley, Ann Saunders, Frances Donlon, Dorothy Caley, Sandra Bertone.  
Second Row: Manager: Iris Earley, Coach: Miss Joan Webster.

The 1954-1955 season for girls' basketball found more games in the "lost" column than in the "won" column. None-the-less, the girls and Miss Webster felt that a great improvement was seen in the team.

Two new schools, Perley High of Georgetown and Topsfield High, were added to the schedule. Perley proved to be too much for the Hamiltonians, but the girls defeated Topsfield on their own floor while Topsfield won at Hamilton. The team also scored a victory over the Alumni. Diane Crowley was high scorer with 68 points.

Graduation takes only one senior this year; she is Joan Lowcock, a varsity forward. Co-captains of this year's squad, Diane Crowley and Margery Ricker, will return next year as well as the rest of the varsity.

Great promise was shown this year in the Junior Varsity. The J.V.'s won all but one of their games. Evelyn Purdy was high scorer with 41 points and Judy Clarke a close second with 39 points. With several veteran players returning and a strong J.V. team to back them up, next year's squad is looking forward to more wins.

The 1954-1955 cheering was highlighted by the appearance of the cheerleaders in their new uniforms. With Margery Ricker in command, the girls enjoyed a most successful season.

The duty of a cheerleader is twofold. Her first duty is to know to perfection the intricate routines which are performed while leading cheers. Many hours of practice and hard work go into accomplishing this. A cheerleader's second duty is to set a good example for the spectators. She has a great deal of influence over the behavior of a crowd. Therefore, win or lose, she must be a good sport and conduct herself as a lady.

With the exception of Joan Lowcock who is graduating, the entire squad will return next year. This is an indication of another successful season.

There were many new prospects for the 1955 Baseball team. Many of the boys who played on last year's team returned this season.

Mr. Moyer, who has done a wonderful job with past teams, retired from sports this year, and Mr. Martini took his place as coach. We wish Mr. Martini and his boys many successful seasons.

Station WWHH, Channel 12, now presents a preview of the ever popular program "Yesterday".

"Yesterday" is presented this 3rd day of June, 1980. The program highlights the Class of 1955 and the celebrities it has produced to the world. This particular group of people has obtained the highest honors, awards and degrees ever. As a matter of fact, some have even procured jobs.

The first of our notables is F. Walter Buzzell, the third, who is now the understudy for one of the Today show cast, Mister J. Fred Muggs. Oddly enough, that tall, handsome fellow, Robert Allen, advertises Lilly Putin Beauty Creme for the face on the same program.

One member of the class with whom we are rather annoyed is Philip Maione. Philip has had several successful movies and more unsuccessful romances with various starlets. Now at long last he sees his way to our cameras with his bride, Miss Sylvia Snoßgrass.

Joan Killam, nee Joan Lowcock, secretary to that famous Doctor Geikie who found the cure for baseball injuries, has at last followed General Don to the altar. Donald and Joan are here to tell us about the General's record-breaking trips to the planet Jupiter in his B-41 Ford Jet to visit Dick Massary, Mayor of the planet Jupiter.

Unable to be here because of impending duties is Richard Morse. He has Mr. Gero's job back in Hamilton High School, although he sends regards.

In the Sports World we have John Neary, the \$175,000 per year pitcher for the Argyle Sox, and Jim Trussell, the calm but not-so-shy Golf Pro at Myopia Hunt Club.

Knee-deep in hammer and nails we have a selected couple who have won great architectural awards: Donald Lincoln, for his direct skyway from Rust Street to Bridge, and Peter Thimmer, for his blueprint of the new clinic in South amilton of which Carroll Carnes will be

Administrator.

Arriving in his solid silver Cadillac is the chief mechanic for the Cadillac division, Mr. York Radcliff Semons. Also in the automotive field is Raymond Whipple who will be here if he can dig his way clear of the prominent job as Chief of the Cemetery Lawn Mower Division in Hamilton.

From California Donald Edmondson of the Animated Cartoons appears with his famous cartoon strip, Sniffy and the Gang.

Douglas Woodman is still in the tree business and he often demonstrates to Garden Clubs how to climb a slippery elm.

Sadly we regret to say that His Honor Dennis Mathias White the Third, is not with us. He is Dean of Girls at Endicott Junior College and cannot be released at this time.

This program has reached you through the efforts of Ernest Tozier, owner, director, manager and Chief Repairman of Stevens.

My friends, I have called you to assemble here as a solemn duty, that you, the heirs and assigns of my respected client, the class of 1955, may hear her last will and testament which, as her legal adviser, I drew as directed by her, immediately prior to her passing from our presence.

We, the Class of 1955, in the town of Hamilton, county of Essex, and the state of Massachusetts, being in as good mental condition as usual, and in much better temper than usual, do hereby make this our last will and testament, rendering void and of no avail, any former will or wills that may have been previously made by us during a period of temporary optimism.

And in this manner do we dispose of our possessions:

To Mr. Chandler we give a mechanical device to remove further dents in his car.

To Mrs. Ramer we leave all the happiness that is left from our high school days in hopes that she will find added happiness in her years of retirement.

To Miss Anderson we leave the boiler room to house the 7th grade over-flow next year.

To Mr. Armstrong we bequeath 16 ounces of carbonated nitro-arsine for his radiator.

To Miss Austen we leave Walter Mansfield to serve as her future accompanist.

To Miss Boswell is left a policeman to guard the lunch lines.

To Mr. Gere we leave a sound-proof room to be used when he yells at the shop boys.

To Miss McKay we leave an automatic word & counter to use while correcting the Senior theses.

The first part of the paper discusses the importance of the study and the objectives of the research. It also mentions the scope of the study and the limitations of the study.

The second part of the paper discusses the methodology used in the study. It mentions the data sources and the data collection methods. It also mentions the data analysis methods used in the study.

The third part of the paper discusses the results of the study. It mentions the findings of the study and the conclusions drawn from the study. It also mentions the implications of the study.

The fourth part of the paper discusses the limitations of the study. It mentions the limitations of the study and the limitations of the study. It also mentions the limitations of the study.

The fifth part of the paper discusses the conclusions of the study. It mentions the conclusions of the study and the conclusions of the study. It also mentions the conclusions of the study.

The sixth part of the paper discusses the recommendations of the study. It mentions the recommendations of the study and the recommendations of the study. It also mentions the recommendations of the study.

To Mr. Mack we leave a Black Gordon tee shirt to watch his sweat pants.

To Mr. Martini we leave a pair of wrenches to have on hand during future football seasons.

To Mrs. McKey we leave Charlie Cares for 8 o'clock appointments again next year.

To Mr. Meyer we leave a leopard skin hat rack to put next to his deer so he can grab his hat when the fire bell rings.

To Miss Webster we leave our congratulations and best wishes on her recent engagement.

To Mrs. Bergman we leave another bookkeeping class which will be more cultured than this year's group.

To Mr. Valois we give a pair of roller skates so he can catch the 3 o'clock train on Fridays.

To Mr. Dallen and Mr. Welch we leave our permission who will come to the gym on Friday nights.

To Mrs. Tremblay and Mrs. Doherty we leave an automatic garbage disposal to relieve them of those unpleasant kitchen aromas.

And now for the Junior Class we leave our most treasured possession.

Raymond Whipple (formerly Davy Crockett) leaves to Charles Doherty his magnetic way with the female species.

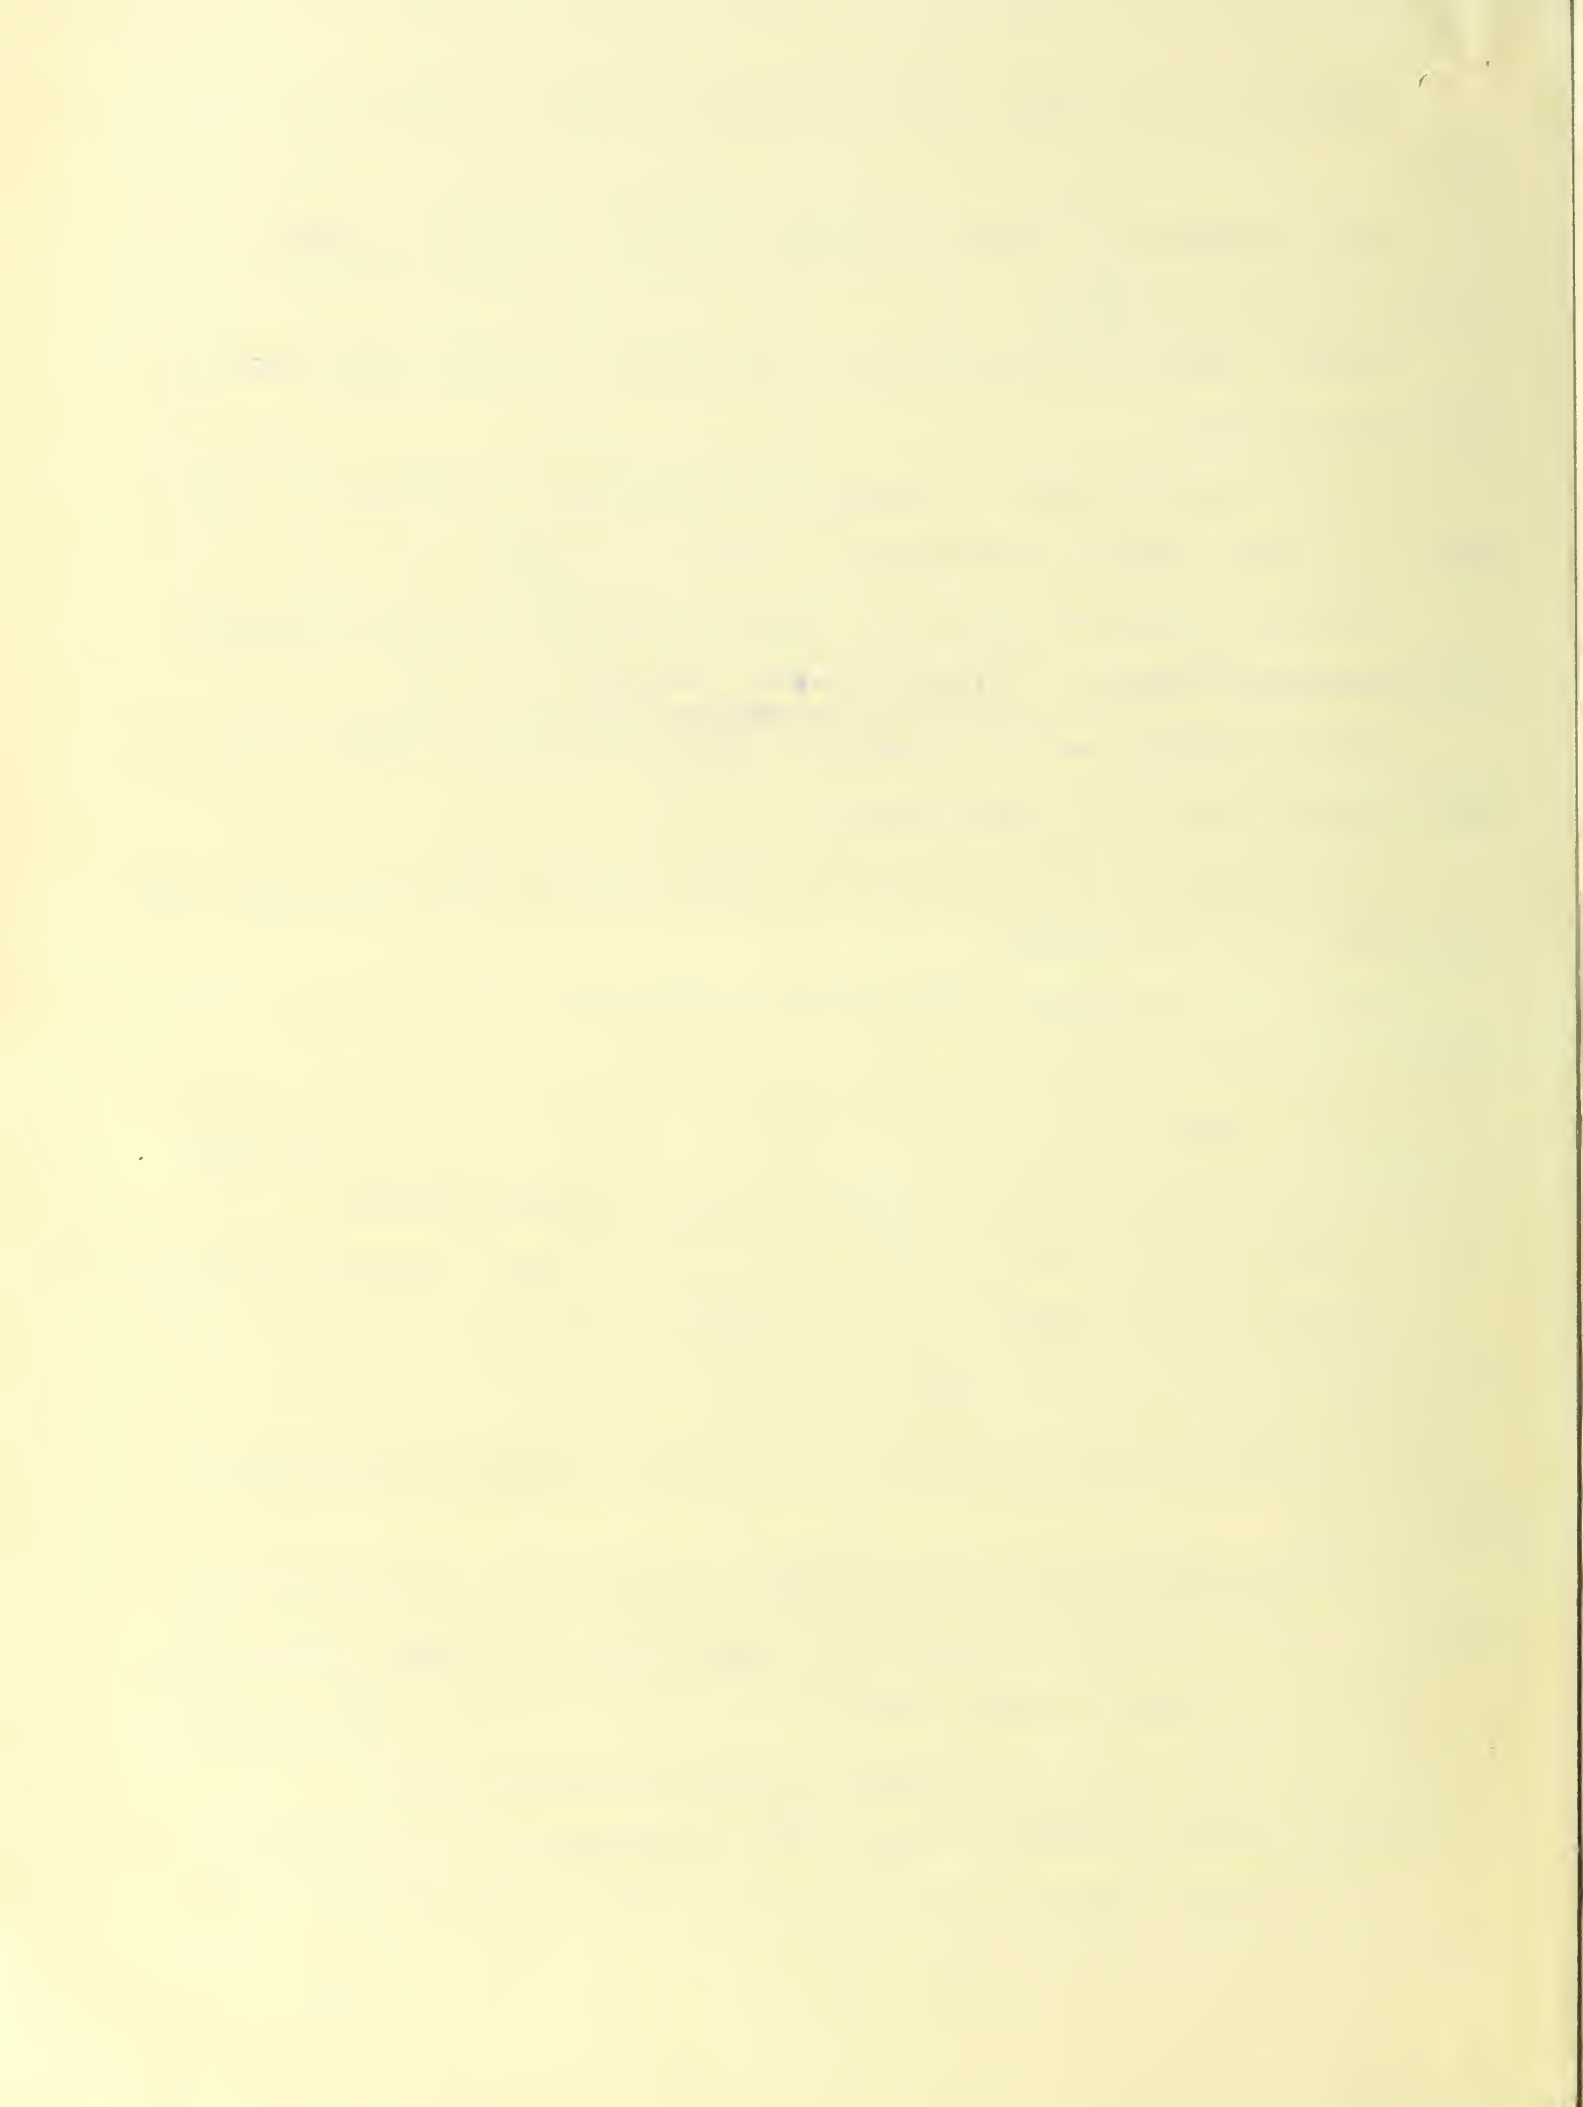

David Geikie leaves a foot of his height to Claire Gilbert and to Helen Cronk.

To Sandra Higgins and Diane Crowley, Jim Trissell leaves an empty corner in the 3rd floor hallway near locker #145 for future rendezvous.

Bob Allen leaves to Joyce Nevins his talent to play the piano and his great singing voice that Joyce has heard so many nights.

Donald Lincoln leaves his Toni Home Permanent Kit to Jean Rice.

Pete Thinner leaves to Peggy Cullinane and Frances Denison a pair of his autographed sun glasses.

Dick Wynn leaves to Mary Walke his home made water skis and to Shirley Trepanier he gives one gallon of Chebacco Lake.

Donald Killam leaves to Margery Rieker his glasses so she won't have any trouble finding "Reid and Hughes" Saturday mornings after Friday night dates.

Donald Edmondson leaves to Sandra Bertone a picture drawn by himself---of himself.

York Semons leaves to Tom Sinkiewicz a new set of "Benny" wrenches with Jee Back's name inscribed on every handle.

Joan Lowcock leaves to Susan McKenzie her talent to drive.

Carroll Carnes leaves to Iris Earley and Nanette Lander her old date book.

Walter Buzzell leaves to Bill Poole and Ed Millet his dilapidated stock car.

John Neary leaves to Richard Shannon a 100 pound sack of nerve pills and to Roberta Trembley he leaves his Ford so she can go down town neentimes

Richard Massary leaves to Dick Patenaude and Jack Sullivan his detention record from September to June Dick and Jack can try to break it

Phil Maiene leaves to Sylvia Thibodeault a supersonic portable radio set so that she can keep an eye on him next year

Ernest Tezier leaves to Larry Feste a Dick Tracy six-way wrist radio and to Roy Leach, Ernie leaves his job as "film runner" so Roy can legally cut classes next year.

Doug Weedman leaves to George<sup>Delaney</sup> a new book of George<sup>Delaney</sup> Gebel's jokes as Delaney's jokes are getting stale.

Denny White leaves to Bob Caverley and Gary Colwell his "good" ear for good music in "Rock and Roll".

In witness whereof, we, the Class of 1955, the testator, have set our hand and seal hereto this 3rd day of June in the year of our Lord one thousand and nine hundred and fifty-five.
